

Here at Dulux Academy we bring you a series of online and live sessions covering a range of topics designed to support you and your professional decorating business.

Dulux Academy Live is a series of interactive and engaging online courses delivered through Zoom by our team of leading industry experts for you, our Trade Points members. These short sessions of around 40 minutes are limited in numbers to ensure you have the best possible learning experience from the Dulux Academy and from your peers. We hope to see you online with us soon!

Here are some of our upcoming online sessions for early 2021:

Date	Course	About
16th, 17th February and 9th March at 7pm	Exterior Painting Problem, Solution and Product	From Trapped moisture to efflorescence and Chalking, we take you through the common problems you are constantly facing with exterior substrate and offer you tips on preparation, problem solving solutions.
2nd, 3rd and 30th March at 7pm	Exterior Colour for 2021	From Residential, community to commercial properties, we take you through the best exterior colour schemes and show you how.
13th, 14th April at 7pm	Exterior Woodcare for 2021	Just in time for exterior painting season this session delves into exterior timber problems and solutions and offers you the best products
23rd, 24th March and 20th April at 7pm	Interior Colour 2021	Why not make helping choosing colour part of the service you offer customers and you can do this with our help. We bring you through the basics and the principals of colour rules and how to use them while helping your customers.

- To join an online course, you'll need to enrol in advance, have internet access and an open mind to explore learning with Dulux Academy in a new way.
- To enrol for a workshop in the Dulux Academy please get in touch at DuluxAcademyIreland@AkzoNobel.com and we will hold your place.
